

## General Program Information

This summer's theme is "Fifty States in Thirty-five Days." We will have activities, games, challenges and theme days that relate to this theme, in an effort to have fun while learning about the geography and history of the United States of America. Our goal is to spend some time each day on learning about one or two states and using this information throughout the day.

Sign-ups for the Summer 2006 Program will be held at Truro Central School on Wednesday June 28 from 10 am to 12:00 pm and on Thursday June 29 from 10 am to 12 pm and from 5 pm to 7pm. Registration forms will also be available at Town Hall and can be returned to Truro Central School during program hours beginning on July 5. Children can continue to enroll throughout the summer at the Truro Central School on days when the program is held on-site (non- field trip days). Please note that in order for children to participate, their birthdays must fall between July 4, 1994 and January 1, 2001.

Our program will run from Wednesday July 5 to Friday August 18. On July 5, we will have an orientation for parents and children and sign-ups will continue. Recreation is held at Truro Central School unless we are on a field trip or at a beach day at Cold Storage Beach in Truro. We will usually be away from the school two days a week for field trips and beach days. The areas of the Truro Central School that we use are the cafeteria, playing fields, gym, art room and playground. Sign- in and Sign- outs are always held just outside the cafeteria or inside the cafeteria in the case of rain.

Summer recreation runs Monday to Friday from 9 am to 12:30 pm (unless otherwise noted). All children must be signed in and signed out by a parent or guardian or by a person indicated on their release form. We do not allow children to be signed in before 8:45 am and we ask that children be picked up *no later than 12:45 pm.*

Our typical field trips include bowling, ice skating, miniature golfing, Water Wizz Water Park, Cape Playhouse and more. We will have some on site activities, such as drama and yoga sessions.

In the event of rain, we will have recreation, however, for certain field trips and beach days, our situation can get a little confusing. If it begins to rain while we are at the beach, we ask that children be picked up immediately. If it rains before Recreation begins, stay tuned for notice of trip or beach day cancellations.

Pricing for the summer is as follows:

	<u>Truro Residents</u>	<u>Non- Residents</u>
		*Full Summer*
